

**Greenville Board of Selectmen  
Minutes of the Public Meeting  
June 4, 2008**

Members present: Scott Blease, Kathy Washburn, Brenda Bergeron

**Work Session**

S. Blease opened the meeting at 7 pm.

Ed White will not be attending tonight, and has rescheduled for a later date. Board reviewed and signed paperwork in folders. Board then reviewed the current budget dated June 4, 2008 for discussion. Any concerns they have on the remaining balance and percentage of each line item were noted for further discussion.

K. Washburn informed the Board she received a phone call from Marshall Buttrick in reference to a letter dated February 10, 2008 from the Office of State Planning for exemption status of shoreline protection. Follow up is necessary and a memo to the Planning Board is needed to see if they reviewed or discussed wet land and steep slope ordinance as no response has been received from the Planning Board.

In reference to a request from Parks and Rec. Committee, as of June 1<sup>st</sup> 2008 the Board had already decided, three bids are needed for any work or project that is beyond the regular operational budget for all departments to ensure that we utilize the most cost effective bid from start to finish for the work, as previously noted in a memo the was sent to all department heads.

In responds to a letter received on June 03, 2008 from the Fire Building Committee, the Board of Selectmen's recommendation is S. Blease will continue to serve as representative for the Selectmen until further notice. Any communication problem in the past will be resolved by notifying the Town Office of meeting dates, times, and places, who in turn will notify S. Blease. If unable to attend the Committee will be notified.

Motion to adjourn meeting at 10:00 pm by S. Blease, seconded by B. Bergeron, all in favor.
