Greenville Conservation Commission

The meeting was called to order at 7pm. Present were Marshall Buttrick, Barbara Guay, and Stacy DelVal. The minutes from April were read and approved - there was no meeting in May.

Regarding Pilgrim Foods consent decree compliance status, Marshall has been in touch with Ted Diers of DES - their consent decree has been extended, and they are in compliance.

North branch of Walker Brook - Marshall has sent an e-mail to Jeff Blecharczyk of DES to ask about the status - awaits reply. A road sign for Walker Brook has been ordered.

We expect to have the Doonan Columbian Lot survey soon.

Site plan status for Dunster Ave "event" venue has been continued.

Columbian Avenue subdivision status has also been continued.

Souhegan River Local Advisory Committee - Temple representative is interested in getting grants to protect brooks.

Potter woods trash - Barbara reported it to police, but the officer thought the trash was in Mason.

Clean-up day, April 23, 2022, was very successful, thanks to many volunteers including the Boy Scouts, the Lions Club, and many individual citizens. Two thirds of all the roads were cleaned!

We have a new building inspector - Doug Reardon

The meeting was adjourned at 8:15 pm. Next meeting will be 7/18/22
