

The Wilton Recycling Center needs YOU to roll up your sleeves and join the effort to restore its efficiency, cleanliness and usefulness.

Five towns use the Center, and when we join together and work with the local Sanitation Commission to clean up and organize the Center it will be more efficient, effective and will regain its ranking as *Best in State!*

We need ideas, sweepers, shovels, carpenters, strong backs, willing hands, gardeners, donations of perennial shrubs and trees (zone 5 hardy), etc.

**Contact Stasia Millett for information and a commitment to help get the Center into shape.

THANK YOU!
