

Greenville Town Pool – Resident & Non-Resident Use Policy

The Greenville Town Pool is funded by tax payers for the use and enjoyment of Town residents and their guests.

Greenville residents will be required to provide proof of residency in order to complete a facility registration card. All household members who intend to utilize the pool must be listed on the registration. Parent/Guardian consent will be required for all minors to utilize the pool.

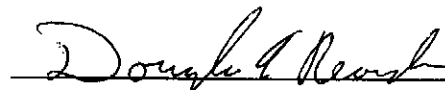

Non-residents' use of the pool is limited to day pass purchase when accompanied by a resident, with the exception of New Ipswich residents. Due to the inter-municipal relationship via our cooperative school district and the reciprocal nature of New Ipswich's recreation programs, New Ipswich residents may purchase a day pass to the pool without being accompanied by a Town resident, or they may purchase a family season pass. Fees will be charged pursuant to the adopted fee schedule.

Swimming Lessons and swim team are available for both residents and non-residents according to the adopted fee schedule. Residents will have priority placement in sessions. Non-resident lesson registrations and swim team participation will be accepted subject to availability of unfilled slots.
